A photograph of a seashell on a beach. The shell is white with yellowish-brown markings and is positioned in the lower right foreground. The beach is composed of dark, pebbly sand. In the background, the ocean is a vibrant greenish-blue, with white waves breaking on the shore. The sky is a clear, bright blue. The overall scene is bright and sunny, suggesting a clear day.

Leaving
behind
success stories

We started small, but with a great vision to provide homes at par excellence. Homes where families connect and enjoy. Our first step started in Ravet with AQUA Blue.

With Aqua Marina, our vision further strengthened to provide homes that balances elements of nature.

Today, continuing our legacy of providing AQUA homes - that are built with ultramodern design and are yet affordable. Homes that are built with great attention to detail inside without compromising on quality.

We launch **aqua mist**.
To leave behind success stories at Ravet.

aqua mist is shaping up for you, to be your home and take you with the flow for all that you are looking for. It offers various options for recreation and rejuvenation so that you can spend time with your near and dear ones.

Here you can take life easy because **aqua mist** has a world of ways you wished to cherish. Go ahead, take up a home here and await the good times that will greet you everyday, every moment!

WHAT
IS AN

AQUA
HOME?

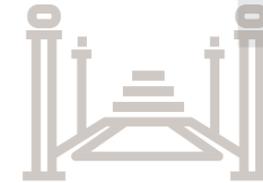

Air

A home built around elements of nature that helps us live a balanced life is an AQUA home. Homes engineered for perfect air & sunlight so that we are never away from nature.

Quality

God lies in the details, with high-end quality check processes, each AQUA home is built to perfection for superlative luxury.

Ultramodern

Not just inside, an AQUA home is ultramodern outside. Designed to look great, grandiosity awaits you at an AQUA home.

Affordable

Not for the few but making it available for all. A home built right and priced perfect. With brilliant specifications, low on maintenance and prudent amenities, each AQUA home is affordable with not just the cost of the home but with the total cost of ownership.
